VISION

The California School Boards Association is the essential voice for public education. We inspire our members to be knowledgeable leaders, extraordinary governance practitioners and ardent advocates for all students.

MISSION

CSBA strengthens and promotes school board governance. We define and drive the public education policy agenda through advocacy, training, and member services. Strong local boards of education are essential to ensure a high-quality education for every student in every community.

MISSION & GOALS STATEMENT
WHAT IS THE CORE MISSION OF THE COUNTY SUPERINTENDENTS?
California’s 58 County Superintendents of Schools and their respective County Offices of Education support the financial and academic soundness of every district and school in the state. County Superintendents work collaboratively with school districts to ensure that every student benefits from a quality educational experience, regardless of their circumstances, including students with disabilities, juvenile offenders, students at risk of dropping out or who thrive in alternative classroom settings, or students in high-priority schools. County Superintendents strive to ensure that every student in every community achieves and is prepared to learn continuously throughout life, to successfully enter the workforce, and to be active citizens.

ABOUT CCSESA
The 58 County Superintendents are organized statewide to work closely with state agencies to implement new education programs effectively and efficiently in response to statutory requirements and the needs of districts and schools. The statewide arm of the County Superintendents is called the California County Superintendents Educational Services Association (CCSESA).
Through CCSESA, County Superintendents have developed a regional structure and statewide organization to deliver high quality educational support services to every district and community in the state. CCSESA works with state policymakers including the Governor, Legislature, State Board of Education, and the California Department of Education to ensure that the statutory responsibilities of the County Superintendents are carried out in a consistent and equitable manner across the state.

CCSESA’S MISSION
CCSESA’s mission is to strengthen the service and leadership capabilities of California’s 58 County Superintendents in support of students, schools, districts, and communities.
CCESA’S GOALS

➢ To act in a preventive, proactive manner to ensure the academic and fiscal stability of school districts.

➢ To provide enhanced services and resources to districts and schools to support continuous improvement in student achievement with particular focus on closing the achievement gap.

➢ To advocate for effective policies and adequate resources for public education through involvement in federal and state legislative processes.

HISTORY OF COUNTY SUPERINTENDENTS

County Superintendents are state constitutional officers. The position was established in the original State Constitution in 1849 as a duty of the county assessor. In 1852, the office of county superintendent of schools was created by statute. The revised State Constitution of 1879 established the position as a constitutional office (Article IX, Section 3).

In 1976, Proposition 8 was approved by the electorate and made the following constitutional changes:

➢ Authorized county boards of education, instead of the Legislature, to set the salaries of county superintendents;

➢ Empowered the voters of each county to determine whether the county superintendent should be elected or appointed; and

➢ Empowered the voters of two or more counties to create joint superintendencies and joint county boards.

Elections were required in each “general law” county, to determine whether the county superintendent should be elected or appointed. (In “charter” counties, the county charter may provide for the election or appointment of county officials.) The elections were held in 1977 and 1978. In all cases, voters opted for elected county superintendents. Consequently, fifty-three (53) of the 58 County Superintendents are locally elected officials. In four charter counties, the county superintendent is appointed by the county board of education (Sacramento, San Diego, San Francisco and Santa Clara). In Los Angeles, the county board of supervisors appoints the county superintendent of schools. All county superintendents, whether elected or appointed, are required to hold a California administrative services credential.

CURRENT AUTHORITY AND RESPONSIBILITIES

County Superintendents operate intermediate service agencies providing direct and regional support to school districts and serve as the primary implementation arm of the California Department of Education (CDE). Current responsibilities can be described in the following categories:

➢ Educating specific student populations;

➢ Monitoring and overseeing the student academic environment;

➢ Monitoring and overseeing district fiscal stability;

➢ Providing academic support and assistance;

➢ Providing direct services to small school districts; and

➢ Implementing regional support activities to assist district and school staffs.

CCESA STEERING COMMITTEES 2019

BUSINESS AND ADMINISTRATION STEERING COMMITTEE (BASC):

The Business and Administration Steering Committee’s (BASC) mission is to improve business support to local school districts and county offices of education. Business support services are designed to enhance local classroom education by providing leadership to local educational agencies in developing and implementing sound business and management practices to strengthen financial accountability, program operations and administrative support services.

Chair: Denise Porterfield, Deputy Superintendent, Business Services San Mateo County Office of Education 101 Twin Dolphin Drive, Redwood City, CA 94065-1064 Phone: (650) 802-5512 dporterfield@smcoe.org

CURRICULUM AND INSTRUCTION STEERING COMMITTEE (CISC):
The Curriculum and Instruction Steering Committee (CISC) initiates collaborative leadership with school districts, the CDE, and other partners to ensure programs, practices, and services that support success for all students. The committee identifies statewide curriculum and staff development needs, provides a communication and implementation network for curriculum and professional development activities, and assists the CDE in adopting and implementing instructional materials and developing publications such as curriculum frameworks.

Chair: Jane Steinkamp, Assistant Superintendent, Educational Services San Joaquin County Office of Education 2922 Transworld Dr., Stockton, CA 95206 Phone: (209) 468-9027 jsteinkamp@sjcoe.net

PERSONAL ADMINISTRATIVE SERVICES STEERING COMMITTEE (PASSCo):

PASSCo’s mission is to promote purposeful, effective, and efficient personnel and employee relations practices for California’s 58 County Offices of Education in support of superintendents, school districts, students, staff, parents, and communities. PASSCo’s accomplishes this by providing the following: 1) Leadership, guidance, and support for personnel and employee relations programs for County Offices and school districts, 2) Professional enhancement for County School Administrators of Personnel and Employee Relations and their staffs, 3) The linkage between the California Department of Education (CDE), Commission on Teacher Credentialing (CTC), California Department of Justice (DOJ), County Offices of Education, and local school districts, and 4) A forum for the deliberation about personnel and employee relations legislation and/or the establishment of positions on issues/concerns related to personnel and employee relations matters.

Chair: Teri Gern, Chief Human Resources Officer Ventura County Office of Education 5189 Verdugo Way, Ventura, CA 93012 Phone: (805) 383-1910 tgern@vcoe.org

STUDENT PROGRAMS AND SERVICES STEERING COMMITTEE (SPSSC):
The Student Programs and Services Steering Committee (SPSSC) facilitates communication and common understanding across all student services provided by county offices of education to school districts and communities including special education, Regional Occupational Programs/Centers, alternative education programs, migrant education, outdoor science education, and HeadStart/preschool. The committee promotes the development of quality programs and services through assessment, research and dissemination of best practices.

Chair: Gabrielle Marchini, Director of Curriculum, Instruction, and Accountability El Dorado County Office of Education 6767 Green Valley Road, Placerville, CA 95667 Phone: (530) 295-2424 gmarchini@edcoe.org
TECHNOLOGY AND TELECOMMUNICATIONS STEERING COMMITTEE (TTSC):
The Technology and Telecommunications Steering Committee (TTSC) exists to develop, maintain, coordinate and support advanced, cost-effective technology delivery systems, services, curricula and other educational resources by providing statewide leadership, planning, coordination and evaluation in order to equip California's students with the literacy needed to compete in tomorrow's economy.
